

Implemented by  
**KfW**

Co-Funded by the European Union

## NOTICE OF INVITATION FOR BIDS (IFB)

The East African Community (EAC), represented by the Lake Victoria Basin Commission (LVBC), and Mwanza Urban Water Supply and Sanitation Authority (MWAUWASA), have received a grant through KfW Development Bank from the Federal Republic of Germany and from European Union EDF-11 Regional Indicative Programme towards the implementation of the Lake Victoria Basin Integrated Water Resources Management Programme (LVB-IWRMP). The Programme aims to strengthen the long term strategic and regional function of the Lake Victoria Basin Commission (LVBC), and to improve water quality and availability in Lake Victoria Basin through implementation of strategic interventions aiming to reduce untreated effluents into Lake Victoria and the river systems including targeted infrastructure investments in liquid and solid waste management. The Authority now invites sealed bids from eligible bidders for the **Construction Works for Mwanza Sewer Connection Upgrade, Tanzania**.
